TRAIL MARKERS

- F2W focuses on the city of Anderson.
- For all the latest news and pics go to: www.foot2water.com
- F2W is back from another awesome trip assisting in the ongoing Katrina relief efforts.
- F2W needs your help! Take a look at our current needs.

Last month, F2W led a team of 16 dedicated volunteers from Capstone Community Church and Pope Drive Baptist Church to serve and minister to the people of Bay St. Louis, Mississippi. It's hard to believe that it's been almost one year since Hurricane Katrina wreaked havoc on the Gulf Coast. Many people in Bay St. Louis still don't have homes and many businesses are still closed, but there is hope. There is hope through dedicated volunteers serving and demonstrating the love of Jesus Christ.

The team that served was able to do lawn maintenance on a local cemetery, clean up 2 parks, paint homes, and also do general lawn maintenance for various individuals. Again, it was so amazing to work with a team of Christians that truly wanted to serve and to give some hope to the people of Bay St. Louis.

Also, F2W had the honor of working with Jimmy Loiacano, a city supervisor in Bay St. Louis. Jimmy's love for the Lord and his passion to serve his community was truly an encour-

agement to me personally. God allowed me to spend a whole day with Jimmy during my time in Mississippi and it was during that time that God showed me what it means to be a true servant.

Jimmy's home was destroyed by floodwaters as a result of the hurricane. His home was condemned and eventually torn down because it was beyond repair. Even so, Jimmy was more concerned with serving his community and making sure their needs were being met. What an awesome display of Christ-likeness! It's all about denying what I want and seeking to help out someone else! My prayer is that F2W will have other opportunities to serve in Bay St. Louis because there is still a great deal of work to be done. There are many more homes and lives to be rebuilt by people just like you. I challenge you to pray about getting involved in this ministry effort!

Seeking to Serve Him,
Dan Cunningham

A QUICK WORD

Another lesson from the **SAMURAI**:

You may recall, the Samurai were a warrior class that devoted their entire lives to faithfully serving their "lord." They completely submitted themselves to his will. *Submission...* In fact, they were so devoted to serving him, their lord could request a Samurai under his rule commit seppuku (suicide) and that Samurai would gladly obey. *Sacrifice...* When a Samurai would enter into the inner room of his lord's castle, the door was about 1 foot off the ground and

about 2 feet too low. This would force the Samurai to bow as he entered. Only after this display could the Samurai fellowship with his lord. *Fellowship...* You see, submission is required in order to sacrifice, and a willing sacrifice is required for true fellowship with our Lord.

Submission, Sacrifice, Fellowship.

"Worship only the LORD... You must worship him and bow before him; offer sacrifices to him alone." 2 Kings 17:36 (NLT)

FAITH IN MOTION

CURRENT NEEDS

I am often asked what are some of Foot2Water's current needs. So as requested, here is a list of some of the current things F2W needs to continue and expand its mission of; **"Single-minded pursuit of demonstrating God's love through people serving people."**

- 6X10 Enclosed cargo trailer, tandem axle w/ brakes = for disaster response and equipment transport
- Monthly sponsor commitments = for resources and to begin paying staff
- Alto OEX 900 PA system = for guest speaking & block parties
- Video projector & screen = for guest speaking & community movie nights

Jesus commands us to go out into the world. We must have a larger view than simply our "home" town. But he also tells us to start with our own community. Therefore, to stay in-line with Jesus' example, F2W is kicking off its month-long campaign called *August in Anderson.*

For the month of August, F2W will focus 100% of its resources and efforts on our hometown of Anderson, SC. Currently we have numerous projects lined up throughout the month to help some

AUGUST IN ANDERSON

"But what are we doing for our hometown?" This was a question brought up by one of F2W's Board members last spring. Truthfully, our answer was not very impressive.

of Anderson's great individuals and nonprofit organizations. Building a deck on a women's shelter, revitalizing a community's park, and home repairs & maintenance for the elderly & disabled are some of the projects in store for F2W volunteers.

But we need your help. We are currently looking for more churches and individuals who will answer Jesus' command. Those who want to "act" by getting their hands dirty or by providing resources so others can.

Wont you join us? Together lets demonstrate God's love to Anderson!
