## UPDATE FROM THE PHILIPPINES (SORT OF)

I am so excited to be a part of all the great things going on over here in the Philippines. Pastor Melo has such an awesome ministry that is reaching so many people for Christ. He is a man on a mission! And it is a privilege to be involved.

Like with F2W's current trip. As you read this I am half-way around the world working with the people of Masinloc. The entire month of March will be spent here with these great people. For the first 10 days I will be helping with the construction of a new church with a team sponsored by Pendleton Street Baptist Church. Then as the team returns to the U.S. I will remain to assist Pastor Melo with several youth events and a large evangelism campaign.

I would love to give you an update in

the newsletter but I cant. Not because I don't want to, but truth be told I am writing this weeks before I even get on the plane! And since I do not have the ability to foretell the future... Well you get the point.

If you would like to see what is happening on our trip in the Philippines I will be making several *Journal* entries on F2W's web site (with lots of pictures). So take a moment and have a look! Remember, F2W may be working out of the country but we still need your help. Please continue to pray for the team and our efforts. Prayer works! Likewise, your continued donations will allow us to keep "...demonstrating God's love through people serving people."

God bless, and see you in April!
